To Whom It May Concern:

This letter is to certify that Ozan Can Tatar has successfully completed an observership in the colon and rectal training program in the Department of Colorectal Surgery at Cleveland Clinic. Ozan was appointed as an observer from August 1 – August 31, 2016.

In summary, Ozan Can Tatar is an outstanding trainee who was a delight to have shadowing my service. He was punctual, professional, and demonstrated an attention to detail by his constructive questions and participation in clinic, in-patient rounds, and shadowing in the OR. I have no doubts Ozan will do well in his training.

I trust you find this information useful. Please feel free to contact me if you have any questions.

Sincerely,

Emre Gorgun, MD, FACS, FASCRS
